Wetblue Sheep & Goat (all sizes, all grades)	US\$ 1.45 per sq.ft.	80,000 – 100,000 sq.ft.

The above minimum prices are proposed to be revised on bi-yearly basis and the same will be valid for six months period. Thereafter these prices will be reviewed and revised if considered necessary.

In view of above, following steps may be taken in order to give impetus to accelerate export of leather industry :

- (a) All Customs Collectrates (Exports) may be advised to implement minimum prices with containers loads as indicated above with immediate effect till further proposals in this regard after six (6) months.
- (b) Necessary measures be adopted to be adhered to for curbing smuggling of live animals via Iran and Baluchistan borders, in particular.
- (c) Export prices should be based on "square feet" basis only and not to be based on per piece or per kilogram basis.
